COUTURE

A Tartan themed wedding is spectacular. Scots girls worldwide can get married making a real statement with a wedding dress which teams up with the groom's kilt from the Tartan Couture Collection. Add in coordinating bridesmaids and mothers, and the colourful combination is Stunning, Scottish and Unique.

You don't even have to be Scottish – it's a great look and most people can find a Scottish connection somewhere in their family tree –

Thought about buying your own Kilt? Why buy a Kilt?

Some reasons for buying

We are finding more men buying their own Kilts because :

So you will have an outfit fit for any occasion, will never date, and last a lifetime*

Just think of the value of your investment of your Kilt or Highland Wear Outfit – it will probably be the best buy of your life, compared to the Bride's Outfit worn once & put in the attic.

Popular Reasons for wearing a Kilt or Highlandwear outfit

A Kilt today is a highly adaptable piece of clothing and can be worn fully dressed with one of our many jacket styles or casually with a pullover or casual shirt. A Kilt is a popular garment for any occasion. A Kilt can be worn at a whole host of functions, such as Weddings, Dinners, Balls, Ceilidhs, Dances, Burns Suppers, Christenings, Graduations, Highland Games, Business trips or even on that Holiday Cruise that you have been promising yourself. A Kilt also makes a great gift, for example on an anniversary or on an 18th or 21st Birthday or a surprise present. They are also great to wear to sporting events to show loyalty to your country, for example at rugby or football events. We reckon that once a customer has a Kilt they will wear it between

6 and 12 times a year. The most we have heard a customer wear his Kilt is 30 times in one year, other customers wear Kilts everyday. If you lose or put on weight a Kilt can be easily adjusted. Younger customers prefer to have their Kilt cut for growth, so that it can be easily adjusted in later years. The Service is unique to Houstons and we must be advised at the time of measuring the customer as we only do this service if requested. We can also teflon coat Kilts to make them stain resistant. This service, exclusive to Houstons, again must be requested before we make the Kilt. With Houstons Guarantee of Satisfaction if you require after care we are only too pleased to assist our customers. We find customers saying they are buying a Kilt for life and go for best quality cloth, usually Heavy Weight and get the best super finish Kilt as this will last a life time. As you can see customers today are buying Kilts for a wide variety of purposes which is great to preserve the Scottish tradition. A Highlandwear Outfit never falls out of fashion and will last a lifetime. It is a once in a lifetime purchase which can be worn with a real feeling of pride not just in Scotland but anywhere in the World it will gain admiration wherever it is worn.
